The Democrats are confident that the effect is to give the State to the Democrats in 1872, and permanently thereafter; and the Walker tone Repub-licans, who elected their ticket with the licans, who elected their ticket with the idea among the whites that there was to be no more disfranchisement and test oaths, are very sick.

AYER'S SARSAPARILLA, FOR PURIFYING THE BLOOD.

AYER'S SARSAPARILLA, FOR PURIFYING THE BLOOD.

THE reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous; inveterate cases of Scrofulous Disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders which were aggravated by the scrofulous contamination until they were painfully afflicting, and been radically cured in such great numbers in aimset every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfection throughout the body and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the kings or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin. or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this SARSAPARILLA: S. Andhony's Fire, Rose or Erysipelas, Tetter, Salt Kheum, Scald Head, Ringacorm, Sore Eyes, Sore Ears and other eruptions or visible forms of Scrofulous disease. Also, in the more concaled forms, as Dyspepsia, Dropsy, Heart Disease. Sore Ears and other eruptions or visible forms of Scrafulous disease. Also, in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia and the various Ulcerous affections of the muscular and nerv-

Ulcerous affections of the muscular and nervous stems.

Syphils or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. Butlong continued use of this medicine will cure the complaint. Leucorrhaa or Whites, Ulerine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute directions in each case are found in our Almanac, supplied gratis. Rheumatism and Goul, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver and Joundice, when arising, as they often do, from the rinkling folsons in the blood. This SARSA-I ARILLAis a great restorer for the strength and vigor of the system.
